The Plaintiff Stewart A. Webb had to hide for his life because of Federal reporting against Criminal Leonard Millman.

Otherwise the Plaintiff would have been in Kansas City Court Oct. 1991 to face the 6 traffic tickets that were falsely levied against the Plaintiff by pressure and Political poll from Millman association with George H. W. Bush.

Plaintiff made enough noise on Radio Talk Shows as a guest from 1991-1992 prior to Plaintiffs false arrest by Federal agents, that the Plaintiff was not killed.

The Plaintiff Stewart Webb while held by Federal Authorities in Federal Detention in Denver Colorado, was told that the Plaintiff could not be released until outstanding Kansas City Missouri Traffic warrants were dealt with.

(See: Exhibit # 3 S&L Whistle-blower faces federal charges Sept. 1992 Houston Chronicle Newspaper stating outstanding KCMO tickets)

Plaintiff was told by Federal Assistant Public Defender Charles Szekley that he would notify Kansas City Police and Prosecutors that Plaintiff Stewart Webb was in federal detention and that if Kansas City, Missouri wanted to proceed with prosecution that the Feds were ready to transfer Plaintiff Stewart A. Webb to stand charges of these outstanding six traffic violations stated here in this claim. Kansas City, Missouri according to Charles Szekley, stated they were dropping the charges against the Plaintiff Stewart A. Under 18 U.S.C. 4 Federal Reporting Crimes Act this serves as notice a Crime has and is being committed by someone and person in Kansas City, Missouri Courts, Clerks, Police, Judges.

Further Notice this court under 28 U.S.C. 1361 Gives a citizen the right to obtain a Judicial Order Addressing Misconduct.

As evidenced this day of July 28, 2004.

Third Notice for Answers for Pending Charges, in Kansas City, Missouri.

Under 18 U.S.C. 4 Federal Reporting Crimes Act. I am asking for direct answers.

Your answers will be submitted to proper Court & other authorities, your lack to answer will result in charged that will be filed against you, addition "RICO".

Further as a defendant with illegal charges pending in your Kansas City, Missouri courts from 1991 traffic violations, that were dismissed in 1993.

I requested the following on July 22, 2004. first request and first answer by your clerks:

see attached in this e-mail.

I further requested the same answers on July 23, 2004, second request and second answer by your clerks:

see attached in this e-mail.

I have not received all the answer to my requests.

There are other pending charges, obviously you will or cannot answer.

FIRST FOR THE RECORD: in 1991 these charges were filed against me as

part of a illegal

Racketeering to Obstruct Justice By Leonard Millman and George H. W. Bush using the Intel. Division

"Red Squads" of the KCMO Police, with Judge Roach & others unnamed.

SECOND FOR THE RECORD: In 1991 to further their racketeering against me Stewart A. Webb as a Federal Whistleblower protected at the time under the Nation Federal Whistleblower protection act, an illegal warrant was issued from the US Attorney in Denver a Partner of Leonard Millman my former father in law, an illegal Iran Contra money launderer. This warrant resulted in near death to me as a result of FBI, therefore I had to hide, otherwise I would have been to Kansas City Court and addressed the illegal tickets when scheduled in September and Oct. of 1991.

Instead warrants were issued. In 1992 I was in Federal Detention Held Illegally as a Political Prisoner those charges were dropped with Prejudice after being held illegally for 10 1/2 months, by Federal Judge Richard Matsch. During the incarceration U.S. Public Defender Denver Charles Szekely informed me that I could not be released until the **6 tickets** in Kansas City were handled, and under law that they were going to put a request in to Kansas City, Missouri Police and Courts through proper channels to see if Kansas City wanted to either, transport me Stewart Webb to appear on these false charges or drop the charges. Kansas City replied that the charges would be dropped. I was told this by Asst. Public Defender Charles Szekely, and Bureau of Prison personnel, otherwise I could not be released from Federal Detention.

Obviously these Kansas City, Missouri charges/tickets were not dismissed. This is additional "RICO" and other Crimes against me (42 USC 1983--and more), Stewart Webb by Kansas City, Missouri. I was told they had been dismissed, because I was release by The United States District Court in Denver Judge Richard Matsch. And the Charges were dismissed in Aug. 20, 1993.

The below tickets and harassment by Kansas City Missouri Police and The Courts over a 5 year period from 1986-1991 was direct violations of Federal and State Laws. Retaliation against a Federal Whistleblower using Government Employees to do Leonard Millman & George H. W. Bush's dirty tricks game and retaliations for the National Scandals and Crimes I Stewart Webb Exposed that Leonard Millman and George Bush were involved with, including George W. Bush.

Further your NCIC posting have been manipulated, falsified and in direct violations of Federal Laws. Additional "RICO".

On March 15, 2004 I was arrested by Independence, Missouri Police for outstanding warrants by Kansas City, Missouri from 1991. The following are the tickets I was Bonded out on and are CURRENT BONDS.

Buckley Bonding Company Independence, Missouri

First Bond for tickets: Bonded March 15, 2004 from Indep. Missouri Police Department Jail.

This Bond is Current with Court Date Scheduled Sept. 8, 2004 at 10am court H. Judge Roach.

First appearance on May 12, 2004 before Judge Roach court H, Judge Roach scheduled for Sept. 8, 2004.

Ticket number 06515415 issued May 15, 1991.

Ticket number 06515416 issued May 15, 1991.

Second Bond for tickets Bonded March 15, 2004 from Indep. Missouri Police Department Jail.

First appearance on May 24, 2004 10 am Court D. Judge Reed.

Ticket number 06548782 issued August 2, 1991.

Ticket number 06548320 issued August 2, 1991.

Ticket number 06548781 issued August 2, 1991.

When I appeared before Judge Roach Court H on May 12, 2004 he scheduled the above 2 tickets

Ticket number 06515415 for Sept 8, 2004

Ticket number 06515415 for Sept 8, 2004

I further told Judge Roach these tickets had been dismissed in 1993, Roach stated they had not been, Roach was belligerent, rude and state he Judge Roach had 2 more tickets and warrants for my arrest. After I told Judge Roach A Federal Grand Jury Demand Dated July 3, 2004 had been requested regarding criminal activity of Kansas City, Missouri Police involving RICO against me Stewart A. Webb, from 1986-1991 had occurred and a copy was handed to Judge Roach informing him of this pending request. Judge Roach claimed I was in contempt of court and sentenced to 30 days in jail. Those charges were never levied, but I was arrest for the second time this year for the same tickets, I was and am on a Current Bond Dated March 15, 2004 through Buckley Bonding. This is A Violation of Law, and additional RICO, which false under the RICO Racketeering Influence and Corruption Organization Laws.

Those were ticket numbers 06548781 and ticket number 06548782, these

two tickets I posted a bond on March 15, 2004 with the Independence, Missouri Police to bail out of Jail, and was scheduled to appear on May 24, 2004 before Judge Reed Court D.

This means I Stewart Webb had to post a second bond for the same charges, I bonded out of Jail held by Kansas City, Missouri Police.

This is ongoing Obstruction of Justice and Continuing "RICO" against me Stewart A. Webb a defendant in pending illegal traffic tickets by your Courts, from 1991.

I appeared on May 24, 2004 before Judge Reed and these 2 tickets were dismissed.

First appearance on May 24, 2004 10 am Court D. Judge Reed.

When I appeared Judge Reed Court D, Judge Reed stated he only had 2 tickets not three.

Judge Reed dismissed the following 2 tickets.

Ticket number: 06548781 Dismissed By Judge Reed on May 24, 2004 Court D

Ticket number: 06548782 Dismissed By Judge Reed on May 24, 2004 Court D

MY QUESTIONS TO YOU CLERKS OF THE COURTS??

1. WHO IS BEHIND THE MANIPULATIONS OF YOUR COMPUTERS NOT SHOWING THE BONDS AS STATED ABOVE??

2. SECOND QUESTION: SINCE THERE ARE 2 OTHER TICKETS WHICH I HAVE POSTED BONDS, IT IS UP TO YOUR OFFICE TO DO YOUR DUTY. AND GET THIS INFORMATION UP TO DATE, IN YOUR COMPUTERS.

3. These 2 other tickets one was scheduled for May 24th before Judge Reed, he stated he only had 2, and dismissed those as stated above. One ticket was never heard, what date will this be heard and before whom?

4. It would be obvious to say that warrants are pending , even though I am out on Active Current Bonds through Buckley Bonding Company. Is this another attempt to falsely create an arrest me Stewart A. Webb?

5. I demand these warrants to be dropped immediately and Bonds to Continue, I further want the schedule for the 2 outstanding tickets that one was scheduled on May 24, 2004 the other on May 12, 2004.

6. I want this cleared up immediately, I further expect an answer to the above.

7. I want to know what has happened to the original \$ 2,500.00 Two

Thousand Five Hundred Dollars in Bonds

that were posted in 1991 regarding the above tickets. Were these Bonds returned to the Bondsman????

Recently the Bonding Companies claim they were not returned. Who Keep the money???

8. Enclose as attached in this e-mail letter to Kansas City Missouri Court is a copy of

my current Federal Grand Jury demand for Restraining Order and Injunctive Relief against

DATED this the 7th day December 2004.

Stewart A. Webb

Plaintiff to support a Civil Claim under the

Racketeering Influenced and Corrupt Organization Act (RICO)

Plaintiff incorporates by reference all prior allegations in this Complaint as if set forth fully herein at length.

Plaintiff asserts and will produce at trial, bona fide evidence showing Defendants have engaged in a long "pattern of criminal activity" and on-going pattern of "criminal obstruction of justice" constituting continual, long-term criminal modus operandi that have the same or similar purposes, results, participants, and victims and the threat of continuing activity, interrelated by distinguishing characteristics.

Plaintiff will establish a prima facie case under the RICO Act and due to his "standing" and the courage to put a halt to this destructive course of Defendants.

The following "patterns of criminal activity" and "obstruction of justice" based upon Defendants and their will set the foundation for this RICO claim.

Plaintiff, through the assistance of former federal employees as with the

attached sworn affidavit of Plaintiff Stewart Webb will establish through discovery and trial testimony the critical ties between Kansas City, Missouri Defendants and Leonard Millman-Bush families to provide the foundation to support this cause of action and specifically this RICO Act claim. The bottom-line sinister fact to support Plaintiff's Complaint and assertions in his Affidavit.

Plaintiff will prove Defendants have engaged in both intentional and deliberate violations of the RICO Act and the following are several examples of a long train of abuses directly by Defendant United States of America and specifically Leonard Millman and the Bush Family:

Plaintiff believes it is noteworthy to close this RICO Act Count with the observations of Canadian social philosopher John McMurtry:
"To begin with, the forensic principle of 'who most benefits from the crime?' clearly points in the direction of the Bush administration. . . The more you review the connections and the sweeping lapse of security across so many coordinates, the more the lines point backwards [to the White House]."
